

The City of Fresno is calling for ALL residents to shelter at their place of residence to slow the spread of the novel coronavirus (COVID-19) to the maximum extent possible. Residents should stay home, especially vulnerable populations, unless you are leaving home to get food, care for others, access necessary health care, or go to an essential job. Outdoor exercise activities are ok if you are not in a group and following social distancing guidelines. All non-essential businesses must close. Call Code Enforcement to see which businesses can stay open.

**ALL SCHOOLS CLOSED until April 20th.**  
**FREE Breakfast & Lunch pick-ups available.**
